FORNICATION IS CARCINOGENIC

FORNICATION IS CARCINOGENIC

It was in the morning of the 16th of April 2020 during my Holy Ghost Schooling, I was meditating on our body being the temple of God as written in 1 Corinthians 6:19-20, 3:16-17 particularly. I was then led by the Holy Spirit to Romans 12:1-2. While meditating on these, suddenly, I heard the word “**Carcinogenic**”. The Holy Spirit spoke this word to me during the meditation. He also gave me the meaning instantly. I went on to Google it and it was the same as what the Holy Spirit had told me. A Carcinogen is anything that causes cancer. Cancer is very invasive and destructive to the human body. It is a long and pain filled gradual but consistent process of destruction of its victims, spreading all over their bodies. I then asked the Holy Spirit to help me piece it together and balance the relationship between Fornication and Carcinogenic. As I typed out these texts, He delivered as usual. Thank You Sir, my dear Sweet Friend, Sweet Holy Spirit Divine, my Senior Partner! Here it is:

For anyone that fornicates, please learn the stark truth from the fore going as revealed by the Lord. **Fornication is carcinogenic to your body. This simply means that any manner of fornication you engage in at any time, causes cancer to your body spiritually thus it defiles your true form spiritually. This changes your form to something else before God.** This is just how the form of the angels were changed when they sinned against God. Their true form or nature was forever defiled and changed from glorious, into all manners of evil terrible beast forms. This is also the “defileth” mentioned in Rev 21:27

Though you may be ignorant of it, fornication therefore leads to an unseen spiritual cancer that you cannot see with your physical eyes. Since it is physically unseen, invisible to the physical eyes, then it will definitely be left untreated, due to this ignorance of one's spiritual state of health which

ultimately will lead to death both spiritually and physically just as cancers lead to death gradually. It is written in Romans 6:23:

“For the wages of sin is death”, but the gift of God is eternal life in Christ Jesus our Lord

We MUST ALL have it in our hearts that fornication is a terrible sin against God, that God hates so much. Fornication is in fact, an abomination unto God. You must always know and remember that your body is the temple of God and the temple of God is holy, so God expects you to keep His temple which is your body holy at all times. Fornication is therefore a sin against God’s temple which is your body. See what God says in 1 Corinthians 6:19 below:

Don't you know that your body is the temple of the Holy Spirit (God), who lives in you and who was given to you by God? You do not belong to yourselves but to God;

God describes the sin of fornication as a sin against His temple which is your body as shown in 1 Corinthians 6:18 below:

Flee fornication. Every sin that a man doeth is without (i.e. outside) the body; but he that committeth fornication sinneth against his own body (i.e. God’s Temple)

Knowing how we reverence and hold dear to our church buildings ensuring we keep them clean and pristine for church services, the sin of fornication can then be likened to a scenario where someone enters into a church building as clean as it is, then begins to rub faeces and sewage everywhere in the church, starting with the altar area and rounding up the whole church building such that no space is left untouched with faeces and sewage thereby leaving the whole church building with a foul stench full of pollutions! Can anyone do these things without getting people to rain down anger and curses on him or

her? We all know the answer, the rage, disgust, unhappiness, disappointment, and outright shock that someone can actually do a thing like that and mess up the whole place! Now, just imagine and ask yourself how God will feel and ought to react if you or anyone at all goes ahead through the sin of fornication, to completely mess up your body which is the temple of God, thereby ending up completely defiled with the vilest terrible foul stench worse than a dead decaying corpse which is completely repugnant to God's nostrils!

GOD'S PROMISES TO ALL FORNICATORS

In God's eyes, All Fornicators without anyone whatsoever exempted, and their bodies are all defiled, cancerous and having cancers before God. Instead of the beautiful scent of holiness emanating from them, it is the vile, repugnant foul stench of the sin of fornication which is way worse than dead decaying corpses that emanates from every fornicator having defiled the temple of God by their sin of fornication. Spiritually, that is their condition, how they are and appear unto God Almighty. And we know, the spiritual realm controls the physical. The spiritual realm is even more real than the physical realm! **God's promise to ALL fornicators without any one person exempted, is that He Himself will personally destroy them in hell and eventually in the lake of fire.** See the scriptures 1 Corinthians 3:16-17 below for confirmation:

¹⁶Don't you know that you yourselves are God's temple and that God's Spirit dwells in you? (i.e. your body is the temple of God)

¹⁷If anyone destroys God's temple, God will destroy that person; for God's temple is holy, and you together are that temple

The Lord went further to assure everyone in the book of 1 Corinthians 6:9-19 that no fornicator will by any means inherit His Kingdom. The same goes for all sinners generally. See fornication's case as shown in these scriptures:

⁹Know ye not that the unrighteous shall not inherit the kingdom of God? Be not deceived: neither fornicators, nor

idolaters, nor adulterers, nor effeminate, nor abusers of themselves with mankind,

¹⁰ Nor thieves, nor covetous, nor drunkards, nor revilers, nor extortioners, shall inherit the kingdom of God.

As earlier said, all fornicators are defiled. God says no defiler or defiled person will enter into His Kingdom. In addition, they are in a terrible cancerous state of corruption before God, having acquired cancers and corruptions to themselves due to fornication which ends up changing their glorious form into a detestable inglorious ignominy. It is very important for me to add at this juncture, some things the Lord told me.

As I worked on this book, our Lord Jesus Christ through the Holy Spirit had mentioned to me that the subtopic on God's promise for fornicators is for "ALL" fornicators and not just fornicators. Somehow, I omitted the word "ALL" to imply all fornicators as He had earlier told me, and God did not find that funny nor was He happy with it and I did not know until the early hours of Sunday the 10th of May 2020 while I was meditating. He spoke angrily to me and said, it is "**ALL**" fornicators without one single person exempted" **He emphasised that statement to me.** I must confess that this is the third time in my entire life that I can remember that He had spoken to me in a fierce, terrifying angry tone. Look, God is indescribably massive and terrible, and it is the same thing for even His ways. If He tells you something and in a particular manner or fashion, do it exactly as He commands. Remember He told Moses to build the first tabernacle exactly as He had seen in the revelations God gave him on the mount See Exodus 25:40. Our God pays impeccable attention to even the minutest of details! Fornication is a terribly grave dishonour unto our God; thus, no fornicator will enter nor inherit the Kingdom of God because Jesus Christ our Lord made that very clear in His words as written in the book of Revelations 21:27 that:

But nothing unclean (i.e. that is defiled or defiles) will ever enter it, nor anyone who practices an abomination or a lie, but only

***those whose names are written in the Lamb's Book of Life.
(Berean Study Bible)***

Fornication removes the names of fornicators from the Lamb's Book of Life. Fornication removes peoples name from the book of those that will enter and inherit the Kingdom of God. All fornicators end up in hell unless they **“quickly repent genuinely and completely so”** as our Lord Jesus advised if one should fall into sin. Every fornicator must proceed further to forsake and abandon the sin of fornication completely among many other steps to be taken in order to enter and inherit the Kingdom God. Our God is greatly merciful, full of lovingkindness and will greatly pardon your sins if you decide to quit your sins of fornication, immoralities, all sexual sins, and all sins in general. You must be ready to quit all your sins altogether because no sinner will enter nor inherit the Kingdom of God and no sinner will go unpunished saith the Lord. The Lord says in Ezekiel 18:4 and 20 that any soul that commits sin will die. The Soul that sinneth, it shall die. This simply means ending up in hell.

THE URGENT NEED TO KEEP PREACHING AGAINST SIN AND FORNICATION

God's promises of utter destruction to fornicators will NEVER change. It is cast in stone and definite except for the ones that take benefit of God's mercies, lovingkindness, love, and forgiveness by repenting and forsaking their sins of fornication and all their other sins. It must be clearly recorded in our minds that once saved is not forever saved. In addition, confessing Romans 10:9 genuinely does not in any way guarantee your entering into the Kingdom of God and inheriting it “if you sin or continue in sin” whilst claiming to be saved for confessing Romans 10:9 similar to the now popular notion in some circles that once saved is forever saved because of Romans 10:9 and other supporting scriptures. This is a doctrine of devils and of errors that guarantees hell fire for its adherents. The words of Jesus are final just as He said in John 3:16 that they which believe should not perish but have everlasting life. What does all these means? We will look at it in depth and compare as we proceed. For obvious reasons, Jesus existed before Apostle Paul and He even created

Apostle Paul. Furthermore, we all know that the clay cannot say to the potter “why did you make me like this”? For instance, in the case of John the Apostle, The Jesus he knew in the flesh and the real God in His full display and splendour were two different people entirely that he could not balance it! Apostle John, the beloved disciple is known to be very friendly and intimate with our Lord Jesus Christ when they were together here on earth. He knew Christ as a regular man whom he was very familiar with just as regular friends naturally are, but something dramatic happened in the book of Revelation 1:17. Apostle John himself confessed that when He saw the real Massive, Terribly Awesome God, Jesus Glorified in the Spirit, in His full display and splendour, John said he fell down at the feet of Jesus “as dead”. This means John collapsed like a dead man at the feet of Jesus Christ! This was not because John was a sinner but because of the inherent nature of sin in his flesh as with all humans necessitating that no flesh can stand before Jesus Christ because His Divinity does not allow it unless Jesus Christ Himself touches you or speaks His words into your life thereby giving your mortal flesh the life nature of God that will enable any flesh to stand before Him for as long as He decides. Great Fear gripped Apostle John but Jesus knowing what was happening to John, touched him, and told him not be afraid. Why am I saying all these?

This God Jesus Christ is not to be toiled with as many erroneous messages in our time have brought. He is to be feared, revered, and obeyed for these is the whole duty of man on earth. Yet He is full of overflowing love, mercies, and lovingkindness for everyone regardless. Please, I beg you in Jesus name, "Learn the fear of this God and flee from fornication and all sins" whilst claiming Romans 10:9 because the learning, knowing and having the fear of this God and genuinely fearing Him is truly, the beginning of wisdom. This consequently implies that it is abject foolishness to take God and His words for granted or deliberately misinterpret His words. Not fearing Him, misinterpreting the scriptures to justify one's foolishness and sins is even more dangerous than hell itself. We only read about Jesus Christ, His sufferings and subsequent death on the cross to pay for our sins but have you ever stopped to realise that there is actually a real person, someone who went through "ALL"

what we “only” read about? Even a dramatically violent film like *The Passion of the Christ* as horrendous as it is, “ONLY gives a slight idea” of what transpired. Jesus Christ in person experienced it all first-hand worse than any film can ever portray. He knows and understands sin more than anyone of us ever does. He knows both how terrible sin is and can be. He knows very well, why sin must not be found in anyone. He took our place and received the tortures and punishments we ordinarily ought to receive. I perceive from watching *The Passion of The Christ* movie, that real demons overtly possessed those Roman soldiers and unleashed the horrors of hell on our dear Saviour. They kept flogging Jesus Christ even in His mutilated bloodied state. I watched this film recently and our Lord Jesus to His Glory, revealed to me, something about His crucifixion that was not even in the *Passion of The Christ* movie. To His Glory as I prayed that night, He revealed to me how those demon possessed Roman soldiers continued flogging Him so very mercilessly even while He yet laid down traumatized and exhausted on His back on the cross which was itself still on the ground. Those heinous floggings continued unabated even as they were nailing Him hands and foot to the cross. The Roman soldiers finally hoisted the cross upwards after having violently satisfied themselves with flogging him mercilessly and nailing Him hands and foot to the cross at the same time because of this same subject matter, SIN.

Why did Jesus Christ Himself say in John 3:16 that they that believe in Him should not perish i.e. ordinarily ought not to perish if they believe in Him? He was implying that they ought to be saved for believing in Him! Take note that Jesus Christ made this statement many decades before Apostle Paul was even converted and before He went to Rome where Romans 10:9 derived from. Paul’s voyage to Rome consequent of his arrest in Jerusalem was only sometime between AD59-60. That was several decades after Christ’s death and resurrection you would say! Now back to what Jesus says. The word “should” even as it is written in John 3:16, is a word of obligation, expectation if the right things or conditions are satisfied thus, the word “should” therefore, becomes quite conditional. In essence, why would someone believe in Jesus and still perish? Is it normal? Is it proper? Is it not because of sin? It is none

other reason but sin! This is what our Lord Jesus Christ is saying in John 3:16. Surprisingly however, a lot of people for some reasons best known to them maybe for reasons such as to suit their lifestyles, thus seem to misconceive, misunderstand, and thus misappropriate the word of God in Romans 10:9 which says:

That if thou shalt confess with thy mouth the Lord Jesus, and shalt believe in thine heart that God hath raised him from the dead, thou shalt be saved

It must be clearly noted here that Apostle was talking to Gentiles, unbelievers, Romans who never knew God nor even knew Jesus Christ. It is a clear case of preaching to a stark unbeliever that He or she should believe and confess with their mouth that Jesus Christ is God and also, that in order to save them, this same Jesus Christ suffered for their sakes, was crucified, died and rose again the third day. After the unbeliever makes this confession, he or she truly becomes saved but must grow and advance into maturity in Christ Jesus whose words are final! In growing into maturity in Christ Jesus, the former unbeliever, who has now become a believer, must still come back to the words of Jesus Christ in John 3:16 that affects all believers, and which says:

For God so loved the world, that He gave His ONLY begotten Son, that whosoever believeth in Him "SHOULD" not perish, but have everlasting life

All those liars that preach saved by Grace (which is true) but licensed to continue in sin, only strengthens the hands of sinners in more sins and they contribute largely to the millions of souls trooping into hell. Judgement awaits them unless they repent of such satanic doctrines, they use in herding souls into hell for satan whom they have chosen as their master and God they work for without knowing it. Truly, many of them know exactly what they are doing and the source of their power and messages. Before Abraham and Apostle Paul, Jesus was. Our Lord Jesus Christ already knew, even very clearly well,

that many will definitely and truly believe in Him, yet they will still perish. Why? It is because of their SINS! Jesus never said because they believe, they will go straight into the Kingdom of God and inherit it because they are saved by Grace. No, He never said so! He foreknew that sin would hinder many from ending up in the Kingdom of God. He knows it, He saw it, He sees it and has been seeing it happening till now even as you are reading this book. He is terribly sad about these grave developments. People He suffered and died for, dying themselves in sins and iniquities in millions against millions thereby ending up in the terrible and unquenchable fires of hell. All these are making nonsense of His humanly insurmountable sacrifices he made before, during, and after His crucifixion on the cross. Jesus Christ still speaking, make it absolutely clear in Ezekiel 33:11 that He has no pleasure whatsoever in the death of any sinner whom He termed wicked due to their sin. God, Jesus Christ refers to sinners as wicked people in the bible. He revealed again through The Holy Spirit in 2 Peter 3:9, that He is not slack with His promises to either bless the obedient or destroy the disobedient who is a sinner and a wicked person. He is only being patient in love and mercies with all of us because He does not intend, desire nor want anyone to perish but that everyone should repent and be saved. This is the reason and need for continuous preaching on sin. He wants everyone to repent pure and simple and this is why you see His genuine servants whom He has revealed His heart's cry to, hammering and preaching on sin unending like as if it is the only message available. Jesus Christ that commands the preaching and warnings on sins knows what He is doing because he sees the bigger picture from above and understands the maze of life and the way out more than anyone of us. Take note again that those that Christ says will perish though they believe on Him are not unbelievers but actually, people that believe or better put, He was referring to believers. They have since confessed with their mouths that Jesus was raised from the dead!

This is why child of God, Jesus Christ does not and will never joke with sin and the preaching against sin. Take note of my choice of words: Anywhere you see any "genuine preacher" of any age, "genuinely preaching against sin and warning against sin", Jesus Christ is ALWAYS excited and is always well

present there, quote me anywhere. To the Glory of God, I speak by revelation, understanding, authority and by experience. In fact, you need to clearly know now if you did not know before, that any gathering whatsoever of any so called children of God where they do not hammer very well on sin, Jesus Christ Himself is usually far from such gatherings. This is the truth pure and simple! Again, I repeat, QUOTE ME ANYWHERE! To the Glory of God, I speak by revelation, understanding, authority and by experience. In such gatherings, they can of course get the usual answers to prayers simply because the name of Jesus does not and can never fail. His name is an open ticket for everyone and anyone. So, they end up enjoying only the peripheral things, the surface things of God that even any unbeliever can enjoy anywhere any time.

The truth is that the deep things of God belong to those who are deep with Him. To be deep with God, it is a **MANDATORY REQUIREMENT that sin must be far from you as it written, the deep calleth to the deep (Psalm 42:7)**. Note again and learn now that anyone who is not deep with the Lord is obviously not deeply rooted in Him and anyone not deeply rooted in the Lord, is surely going to be easily harvested for destruction by that abysmal failure, the one they call the devil at any time he chooses to, especially in the very near and inevitable Great Tribulation that must befall everyone alive on this earth during the reign of the man of sin who also, is the antichrist especially when his government will be in full swing all over the world which is the period of the Great Tribulation that **MUST** precede the Rapture. The Rapture itself will take place immediately after the Great Tribulation. See Mathew 24:29-31 and 2Thessalonians 2:1-5 with emphasis on verse 3 particularly for the timing of the Rapture. Anyone whosoever therefore, that teaches you any doctrine other than this for instance, that the Rapture will happen before the Great Tribulation is either in satanic grave errors or a liar only pretending to be a holy minister of God or outrightly an agent of the devil masquerading as a minister of righteousness as written below in 2 Corinthians 11:14-15 (KJV)

14 And no marvel; for Satan himself is transformed into an angel of light.

15 Therefore it is no great thing if his ministers also be transformed as the ministers of righteousness; whose end shall be according to their works

From Genesis to Revelation throughout the length and breadth of the bible, God continually warns about sin and against sin. After Jesus Christ did His part on sin, He handed over the same tasks to His disciples. They continued the same ministry, doing the same speaking, warning against sin and preaching that people repent of their sins just as Elisha with his double anointing only continued the ministry of Elijah. In this our generation, we just cannot be any different simply because it is the same assignment that has been passed on to us, to the Glory of the Living God, Jesus Christ! Hallelujah, Amen!

Please take note whoever you are, that God will NEVER allow any fornicator to bring in their cancers from fornication into His Kingdom. **So, take note again:** it is ONLY here on earth, while you are alive here on earth that you can be cleansed and healed of every manner of defilement and cancers resulting from fornication. It is ONLY Jesus Christ alone can do these for you. He will forgive you, cleanse and heal you of every cancer and consequences of your fornication as well as that of all your sins only if you will submit to Him. Cancer is a defilement of the human nature. Therefore, we need to discover what makes fornication carcinogenic i.e. cancerous and what must be done to arrest this situation. Our God, Jesus Christ is love, full of mercies and lovingkindness to save and to deliver from hell and all destructions, every soul that trusts and cooperates fully with Him. This is one of the many reasons why the Lord has gotten me to pen down this book so that you and everyone alive as much as possible all over the world, can read this book and be saved from hell by the power of Jesus Christ of Nazareth and His truths contained in this book that sets anyone free from all manner of captivities and or bondages.

Thus, saith the Lord, “the devil will stop at nothing to keep you ignorant, the Lord Himself will stop at nothing to bring you to knowledge” in order to save.

HOW IS FORNICATION CARCINOGENIC?

The Holy Spirit explains that as tobacco causes cancer of the lungs, so does fornication cause spiritual cancer of your whole body. Anything that causes cancer is what is called a carcinogen. Fornication being a carcinogen, is therefore carcinogenic simply because carcinogens cause cancer to their victims.

Tobacco for example is a known carcinogen. Thus, this quality makes tobacco (i.e. smoking) carcinogenic to anyone that smokes whatever it is that they smoke. So then one can say it is "carcinogenic" to smoke. This simply means if you smoke, you will get cancer and it has no medical cure yet.

In the same way and even more deadly, it is spiritually cancerous to fornicate or engage in any manner of fornication. As explained earlier, fornication is carcinogenic thus, it gives spiritual cancer to the fornicator which ultimately leads to his or her death. This is explained in Romans 6:23a

For the wages of sin, (the sin of fornication as with all other sins), is death.

As cancer kills ultimately if not healed by Jesus, so does the spiritual cancer resulting from fornication, kill anyone that engages in fornication with death as its wages, payment, result of fornication or fornicating.

The death being referred to here in the bible actually means to end up in hell and be counted among the dead, because hell is the abode of the dead. When the bible talks about death for any sinner, it is usually not referring to when someone gives up the ghost and passes on. No, that is simply transition. Transition from the physical realm to the spiritual realm which is eternal. It is after the sinner is judged and condemned to hell that the sinner dies and thus referred to as "dead" by God because hell is the abode of the dead. It is where

all sinners end up before their final destruction in the worse off lake of fire. See Revelation 20:14-15 and Revelation 21:8 below respectively:

¹⁴ And death and hell were cast into the lake of fire. This is the second death.

¹⁵ And whosoever was not found written in the book of life was cast into the lake of fire.

Revelation 21:8

⁸ But the fearful, and unbelieving, and the abominable, and murderers, and whoremongers, and sorcerers, and idolaters, and all liars, shall have their part in the lake which burneth with fire and brimstone: which is the second death. (The words of Jesus in red)

SOME SOURCES OF FORNICATION

1. YOUR OWN LUSTS (James 1:13-15)

¹³ Let no man say when he is tempted, I am tempted of God: for God cannot be tempted with evil, neither tempteth he any man:

¹⁴ But every man is tempted, when he is drawn away of his own lust, and enticed.

¹⁵ Then when lust hath conceived, it bringeth forth sin: and sin, when it is finished, bringeth forth death.

This is anyone's No 1 source of fornication, "your own lusts"! The Lord says everyone is tempted not by Him but by the tempter, that abysmal failure, the

devil, man's common enemy and the accuser of brethren. In his usual style, he tempts you into fornication as with other sins. When you are drawn away (i.e. pulled away due to losing control), then you are enticed and trapped by your own lusts or desires and when these lusts are conceived (i.e. formed in your heart or mind), it gives birth to sin, in this case, the sin of fornication which is carcinogenic. Thereafter, the carcinogenic nature of fornication leads to death i.e. ending up in hell if genuine repentance is not done which itself simply means the sins of rejecting God's mercies, love, lovingkindness and all that Christ accomplished at the Cross of Calvary. To avoid these, our Lord Jesus says you should guide your heart with all diligence because out of it, springs forth all the issues of life including fornication. There is a man that ended up in hell because he failed to wait until his marriage was fully consummated. He beat the gun, had sex with his wife shortly before they got married. He did not see nor know it as a sin, even the sin of fornication. He did not realise he had acquired cancers due to fornication. Just like others, he was ignorant of these facts thus, he failed to confess the sins of both the lusts in his heart, eyes and flesh prior to officially becoming married and the physical sin of fornication he committed with his wife he later lived with for many years in complete loyalty. As a result of the aforesaid, he had failed to repent from those sins having not confessed them because he was unfortunate not to know nor hear this truth you are getting now in this book. That man discovered his grave errors in hell. He is forever regretting his ignorance and failure to partaking in the ever-flowing mercies and lovingkindness of Jesus Christ. He is doomed forever but thank God, there is hope, mercy, grace, and opportunities for you.

2. YOUR INORDINATE DESIRES AND PASSIONS

The kind of things you have passion for can cause fornication. Our Lord Jesus Christ counsels us in Mathew 6 to set our hearts on the Kingdom of God in heaven and on desiring to end up there for eternity. He went further to say that where your treasure is, that is where your heart will be. Anyone that is mindful of worldly things, carnal things, earthly things, trying to please the flesh, will surely die because it is written Romans 8:6a that to be carnally minded i.e.

fleshly minded is death and remember that fornication is a sin done in the flesh against the temple of God, which is your body. Fornication is one of the works of the flesh. Desiring the satanic pleasures of a few minutes that guarantees condemnation for eternity starting in hell, is a terribly foolish thing to do by anyone whosoever including any persons of any age who are not legally married in this case heterosexuals i.e. persons sexually attracted to people of the opposite sex. Homosexuals, lesbians and so on, are all fornicators. Having your thoughts or imaginations filled with or dominated by dirty talking, sex and or sexually immoral things or thought patterns will surely lead you into the sin of fornication. Again, to avoid doing these, our Lord Jesus says you should guide your heart with all diligence because out of it springs forth all the issues of life including fornication. All sins are from the heart. They defile all.

3. YOUR HABITS

What kind of habits do you keep? Good or bad ones? Do you enjoy chasing after girls or boys in your case? A habit like masturbation, watching pornography, any immoral film, sexual cartoons, or magazine by any means for instance can lead to fornication eventually. The habit of having, keeping, and engaging in the boyfriend and girlfriend relationship system will surely lead to fornication eventually. The habits of attending worldly gatherings, entertainments, parties, clubs, keeping bad friends for instance and anything worldly, will surely lead you into fornication because all the things of the world are all craftily interwoven with each other in order to surreptitiously lead you into one sin or the other and in this case, the sin of fornication.

4. YOUR HEART

The heart is the engine room of all issues of life and that is why our good Lord, Jesus Christ counsels us in the book of Proverbs 4:23 to guard our hearts with all diligence. If your heart therefore is not diligently guarded and protected from evil it will surely be dirty, filled with all manners of filth and darkness or like a terribly unkept room or farm. All manners of disastrous weeds will

surely grow on such an unkept and untended farmland. The heart can never be empty! Every act of fornication brings in its own set of demons into the life of every fornicator. So, such a person's heart will be filled with all manners of demons instead of the Holy Spirit residing in such a heart. The case is even worse for repeat offenders. Your heart ought to be pure and not filled with fornication. Without a pure heart, you cannot see God as written in Mathew 5:8 and if one fails to see God, it simply means the person will end up or has ended up in hell. In the book of Mark 7:21-23, our Lord Jesus revealed that it is from the heart that what defiles a man originates from. These are also the secret sins of the heart and fornication in the form of Adultery is one of them.

5. RETURNED DOWRY ON WEDDING DAY

Our Lord Jesus Christ in His divine love and mercies have since revealed a major error in many so-called marriages which are actually no marriages before God. They are illegal before Him. In some cultures like in the South West of Nigeria for example, the bride's parents or family during the introduction or wedding day in these said marriages usually return the dowry or bride price levied on the desiring husband with reasons such as; we are not selling our daughter and or when we collect the dowry payment the husband may maltreat our daughter. So, they usually would return the paid dowry back to the intending husband telling the husband to go take care of his wife with the money! This is a VERY TERRIBLE error and a satanic strategy deployed by the devil to send hordes of such victims into the torments and fires of hell. Most unfortunately, this is still practiced ignorantly by such cultures and it MUST be stopped or else, they risk ending up in hell for so doing.

For cultures where payment of dowry is customary, the Lord says such marriages are illegal before Him therefore, they are non-existent. Thus, such husbands and wives in these circumstances are actually committing the sins of fornication unknowingly, anytime they have sex while erroneously believing themselves to be legally married. The Lord says they are both fornicators regardless of their stand in the church or society.

The Lord went further to clarify, that the only thing that belongs to Him in the marriage process which legalises same before Him, is the “Dowry”. It must be paid complete and must not be returned under any circumstance. If you evaluate carefully, you will quickly discover that the amount usually levied on the intending husband as the dowry by any culture that practices dowry payment for consummation of a marriage is usually a little amount of money. It is usually small if not completely irrelevant in most cases if compared to other expenses for the marriage. This goes ahead to broadly show us how loving, kind, and non-tasking the God and Father that we have and serve is. He is full of lovingkindness and will not bring any more burdens on us. However, the devil knowing how loving God is, will stop at nothing to make obscure, these facts and succeed in leading man to grievously sin against His God and maker like in the area of returning of dowry that was actually paid.

Our loving God and Father further clarified that every other item like clothes, drinks, food stuffs and the likes of them demanded by the bride’s family from the intending husband, all belong to Caesar. He says they must “ALL” be completely given to the bride’s family as agreed. Draw your comparison again and you will see that what goes to Caesar is usually more and very expensive. The expensive nature of what goes to Caesar in many marriage consummations processes has been a major discouraging factor for innumerable couples to legalise their union. These act makes them end up living in sins and errors before God which ultimately leads to hell if the necessary corrections are not quickly done with genuine repentance asking God for mercy and forgiveness. These grave errors of returning paid dowries to intending husbands under any erroneous reason whatsoever has been sending millions to hell. The victims in this circumstance usually discover these errors when they arrive in hell. You MUST pass these words out and create the awareness in your family and society. You just have to save souls from hell. Ignorance has never and will never be an excuse before God. The same goes for the ignorance of leading new couples into fornication due to the bride’s family or parents returning paid dowries. So, you have the task now to start spreading the word and stopping this satanic practice. The foundational error of returning dowries in such

marriages, gives legal grounds for household witches and enemies to attack every unfortunately ignorant couple in any such illegal marriage before God due to returned dowry. It is actually a trap of satan! **Thus, saith the Lord,**

“the devil will stop at nothing to keep you ignorant. The Lord Himself will stop at nothing to bring you to knowledge” out of His endless love in order to save. Spread these truths out children of God!

6. A CASE STUDY OF THREE (3) DIFFERENT MARRIAGES ON DOWRY RELATED ISSUES

For the purpose teaching and learning the truth from divine revelations from God Himself with a view to quickly making urgent, immediate and necessary corrections by any husbands and wives who are in one marriage error or the other without even knowing it, we need to take a look at three different cases of marriages involving dowry payment as well as the giving of the other items demanded by the bride’s family and what the Lord said concerning these three different cases that happened in real life. All the people it happened to are still alive as of May 2020 and surely, they will not die before their time in Jesus name. The respective solutions given by the Lord Himself to correct their marriage errors thus, legalise them before God and unto Himself will be discovered as we proceed. These are marriages of genuine and spiritual children of God. All of them being pastors, genuine pastors who are not carnal nor fake worldly pastors. They actually hear and receive from the Lord but unfortunately and ignorantly entered into one technical error or the other in the consummation of their marriages. This made their marriages become null and void before God meaning they were illegal and non-existent until they applied the corrections they received from the Lord Himself because our God is not a respecter of anybody whosoever no matter how high or low they are in the church or society. They were all ignorantly living in the sins of fornication until they all received individual revelations from the Lord showing the errors in their marriages together with the way out of the terrible mess that could have sent them to hell if they had not received mercies and grace from God in

His lovingkindness to knowing what to do before it was too late. They are all unique cases but with the same underlying factors that basically covers every area of common marriage rite consummation errors. Just in case, see details for yourself as you read on to make corrections in your own marriage where necessary or for some other person's case you may be aware of:

6a. CASE STUDY ONE:

DOWRY WAS PAID BUT WAS RETURNED

The first case is that of a lecturer in a university who is a genuine born-again child of God. They supposedly got married “legally” the couple thought, satisfying the levied and demanded requirements for the consummation of their marriage including the dowry which was actually paid by the husband in this case study. Unfortunately, the bride's family returned the dowry with the usual and now popular claims and reasons given by such bride's family for instance, that “they are not selling their daughter” and so on. This couple like the others in this category of our case study, went home dancing and rejoicing believing themselves to be legally married. These situations most unfortunately, has become the norm with such cultures. It actually perpetuates the adding of sin to sin by everybody involved in these chain of circumstances including the parents and families of the bride who also become guilty of the sin of leading others into sin by returning dowries as written in Luke 17:1. All these results into the avoidable ending up in hell fire, of millions and millions of souls regardless of their stand or calibre in the home, church, and or society.

Unknown to the man and woman in this case study, they were illegally and erroneously married for eight (8) years. Their experiences however were that their union was faced with lots of terrible challenges. Their so-called marriage was only sorrowful and greatly troubled left, right and center. Nothing worked no matter how hard they tried on living a happy married life. Their finances were even a trouble to them because poverty set in due to the open doors from the errors in their marriage. Nothing just worked no matter how hard they

prayed and fasted. They faced a lot of very unpleasant challenges. These continued for eight (8) solid sorrowful years. Eight solid years of pain, sorrows, and misery due to “just one fatal error” until, the mercy of God located them eventually and spoke on their behalf before God. God Himself revealed to them that the foundation and source of their many problems was the dowry the husband had paid but which was returned by the wife’s family on the day their so-called marriage was consummated. Guess what? The dowry was just Ten thousand naira (₦10,000) only! It was the cause of all their problems, and they did not know it for eight years, yet they suffered terribly for that eight misery filled years! Having suffered terribly for so long, they had to go back to the wife’s family with a pastor and the “mandatory new dowry” to be paid. They narrated to the wife’s family what the Lord had revealed to them as the ONLY way forward and the ONLY WAY OUT of all their troubles which must be done if they truly love them as their children and want them to come out of their marriage mess that ordinarily, would have ended their souls in hell regardless of all their religiosity, prayers, fasting and even regardless of any miracles any of them may have performed while alive yet lived in sins of fornication and errors without knowing it. It must be noted here that the name of Jesus Christ can never fail, so they could have even done miracles yet end up in hell due to the ignorance of their marriage’s dowry error if it were not corrected. To the Glory of God, the wife’s family realised their grave mistake and re-accepted the new dowry of just ₦10,000 that had caused so much havoc in the lives of this unfortunate victims.

Recall that I had earlier said that the non-payment of the dowry by any means and or with any error whatsoever in the consummation of any marriage gives legal grounds to household witches and enemies. They are indeed present in every family on earth for all evils which in this case, is to victimise and terribly afflict such unsuspecting and ignorant couples. Are you in this category of marriage error? Thank the Lord Jesus Christ for bringing these truths to you. You must go to Him in repentance and diligently make every necessary correction in your marriage to avoid both the consequences of this error here in this life and ending up in hell afterwards at the end of it all. You have time,

grace, mercy, love, and the lovingkindness of God to your advantage now. Do not waste any more time because the Rapture can happen at any time soon. Do what must be done now. Redeem the time and do not procrastinate nor delay any further.

Thus, saith the Lord:

***“the devil will stop at nothing to keep you ignorant, the Lord Himself will stop at nothing to bring you to knowledge”* out of His endless love in order to save. Spread these truths out children of God!**

If you are not in this marriage error, good for you but if you know anyone or some others who are, then you have to kindly get them to buy this book to come to the knowledge of these truths or buy it and give to them if need be. These things are very avoidable. All the pains, sufferings, sorrows, captivities, bondages, deaths and so on are not just worth it. Please save souls from hell, restore peace, and be blessed by Jesus for doing His heart’s delight which is soul saving. Let us proceed further to the next case study and discover more.

6b. CASE STUDY TWO:

DOWRY WAS NOT RETURNED BUT PAID IN ERROR

In this case, the dowry was paid but paid in error. You may wonder how? The first thing was that the Lord told the pastor in this case not to travel for the dowry payment process of his new wife but in a state of uncontrolled excitement of getting married, he disobeyed God, got on the journey to Delta State from Lagos and barely made it there but for the mercies of God. Upon his arrival at the bride’s family compound, his eldest brother who represented their late father was handling things on his behalf. He was just excited discussing and interacting with the bride’s siblings in another part of the same compound. As the marriage rites progressed, his elder brother came to him at some point and demanded for the dowry as levied on him. He handed over the

money, his elder brother disappeared into where the dowry payment was made. After every other marriage rite was met, he went home to live with his “supposed new wife”. Surprisingly however about four years later, the Lord sent a prophet to him who told him to his utter amazement that he was living with another man’s wife and precisely so, his elder brother’s wife! The elder brother that paid the bride price on his behalf! Now how amazing can that be? The Lord further revealed that because he was at the venue of the dowry payment but did not hand over the money directly by himself the wife belongs to the elder brother who paid the dowry. He obviously did not state clearly that he was making the payment on behalf of his younger brother. Remember that the Lord had earlier warned him not to travel for the dowry payment but he went ahead to disobey God who knows the end from the beginning, who knows all things and how the whole marriage was going to finally pan out in error if he were there in person. This is what eventually happened.

Had he obeyed the Lord and not travelled for the dowry payment, there would not have been any issue about the legality of his marriage to his wife simply because he would have been duly represented by his elder brother who also represented their late father simultaneously. Another point of note is that had the elder brother been meticulous as the process went on to categorically state clearly that he was paying the dowry on behalf of his younger brother mentioning his name and that it is not for himself, there would have been no issue just by merely saying it out so that it is announced both spiritually and physically right there and there. It is also important for everyone to learn this fact, **“in the spirit realm, nothing is taken for granted”**. Everything man takes for granted on earth is never so in the spirit realm. This is one of the reasons why our Lord Jesus Christ says in the book of Mathew 12:36-37 that every idle word from the mouth of anyone shall be accounted for on the day of judgement. By your own words, you will either be justified or condemned!

However, we thank God for His mercies because the Lord Himself gave them a way out of that mess and this was the solution the Lord gave them in the following sequence; The Lord said by the mouth of the prophet that announced

the error in this case study to the pastor, that his elder brother has to bring the wife in question to a particular wonderful servant of God that God Himself chose to correct that error. The elder brother was to hand over the wife in question to the pastor who stood in the place of God. Then the younger brother will come with a new dowry and hand over the dowry to the said pastor God chose for this assignment who will then hand over the wife to the younger brother as his new wife and then pray for them blessing the union afresh. This was quickly done by all parties involved so that error was corrected. It was after the correction was done and the union blessed afresh by the pastor the Lord assigned for that purpose, that they actually got married before God. **You just have to fear God!** They are now legitimate husband and wife. It is important to note here that as long as it lasted, prior to when they made this correction as ordered by the Lord, both the man and woman involved were **“only living in fornication”** before God, Worse still, the supposed wife was even ignorantly in adultery thinking that she was with her desired husband!

Similarly, it is important to clarify at this point, that dowries can be paid on behalf of anyone, but it must be carefully and properly done to avoid errors leading to hell. The case of dowry being paid on behalf of a relative or anyone else is not new and there is nothing wrong with it so long as the representatives who paid the dowry on behalf of another person did so diligently without incurring any error whatsoever. A good example as well as evidence of the fact that the dowry can be paid on anyone’s behalf is clearly seen in the story of how Abraham sent his chief servant to his father’s country to go get a wife for his son, Isaac the covenant child and then bring the wife home to him. Both Abraham and his son Isaac did not leave their country of residence. It was Abraham’s chief servant that went on that journey with the dowry as well as other requisite items for the consummation of the marriage as customary to their culture. He paid the dowry together with all other required items demanded by brides’ families per their culture all of which he gave completely, and the marriage is legal. This story you will find in the book of Genesis 24.

It is pertinent to note that the chief servant who represented both Abraham and his son Isaac in this case openly confessed and declared that he was marrying the beautiful young virgin Rebekah for Isaac, his master's son and not for himself. There was clarity in his statements and submissions as evident in the book Genesis chapter 24. He sincerely and clearly declared his intention and purpose for coming to them thus, there was no error whatsoever incurred in the consummation of Isaac's marriage to Rebekah. God has not changed, and He will never change. His standards remain the same for everybody for He is a just God. The failure on the part of anyone whosoever, representing any intending husband to pay for his dowry to the bride's family as well as other requisite items must be clearly stated that it is being done on behalf of the intending husband and his name must be clearly mentioned and spelt out to the bride's family as the husband to be who is paying the dowry by proxy so that all possible errors are completely avoided and automatically eliminated.

Thus, saith the Lord,

“the devil will stop at nothing to keep you ignorant, the Lord Himself will stop at nothing to bring you to knowledge” out of His endless love in order to save. **Express love and worship to God and Spread these truths out children of God!**

6c. CASE STUDY THREE:

A GOAT, CLOTHES AND A WALKING STICK OMMITED

This is another unique case of some errors in a marriage consummation rites that nullifies and voids such marriages before God thereby making such marriages illegal both spiritually and physically. These end up leading the unsuspecting couples into the sins of fornication. In this pastor's case, the dowry was paid with no issue whatsoever. Unfortunately, they however left out some of the other items demanded by the wife's family and failed to give them which are the items the Lord God says belongs to Caesar in any marriage

consummation process. The items they failed to give to the wife's family meant for Caesar in this case study are:

- A goat for the wife's relatives that escorts a bride to the husband's house upon conclusion of any traditional wedding per their customs
- One wrapper and a marching lace fabric meant for a blouse for the wife's mother
- One hat, one wrapper and a marching lace fabric for a shirt together with a walking stick for the wife's uncle who represented her late father

The above-mentioned items were all the items the pastor and his wife in this case erroneously overlooked and failed to render to the persons in the wife's family they were meant for. This resulted in several calamities in the lives of this couple. They faced a lot of hardships spiritually and physically. They even had health issues and received lots of satanic attacks for years. Nothing was working and their union was greatly distressed. On a number of occasions, the wife almost died. The husband suffered partial stroke at some point. They just kept experiencing one misfortune after the other in an unending manner. The husband's siblings suggested to call it quits. The wife's people also wanted to take their daughter away but being a servant of God, the husband knew breaking the marriage was not an option so as not to be in danger of hell. After several years of fasting and prayer sessions, the Holy Spirit by His mercies revealed to them that there are accusations against the husband in the spirit realm. That he is being accused by the wife's mother of stealing her daughter! Everywhere they went to for prayers, it was the same thing. Their finances were terribly battered such that they did not even have the money to go give these items for a couple of years until the Lord had mercy on them and gave them means to go settle these debts three (3) years later. The journey itself from Lagos to the wife's village to go settle these debts of just the items of the marriage going to Caesar that most people may not take seriously was a huge war on its own. A pastor friend's vehicle they were travelling in which was bought brand new strangely developed faults starting with the gear which was later rectified, and the journey was cut short that day due time spent fixing the

gear issue. They slept over at Ijebu Ode and resumed the trip the next day hoping to have smooth ride but for the car to develop fuel pump transmission problems somewhere near Edo State along their journey to the wife's village in Delta State. By divine help from God, they continued forth with the journey with a strong resolve to go correct the errors in their marriage having been through so much for years and barely made it very late in the night to their destination with the now faulty vehicle which had no issues whatsoever prior to this amazing journey being a brand new car and not a fairly used car but brand new car straight out from Germaine Auto dealership in Lekki Lagos. Eventually, they settled every debt previously owed. They gave to the persons concerned in the wife's family their customary marriage rites items as mentioned earlier which they had overlooked including the professional fees of a hair stylist at Obalende in Lagos that fixed the wife's hair for their church wedding. It was left unpaid by the husband because the wife went to fix a worldly hairstyle contrary to his belief system. The Lord is against all forms of worldliness, fixing and wearing worldly adornments and so on but a debt owed was involved, so the Lord revealed this fault in His mercies shown to them as another source of the innumerable problems besetting every area of their lives in addition to the Caesar's goat and other items alike in the consummation of their marriage rites. After all these debts were settled, it was like the hordes from hell that came after them just turned away and left them alone. Peace and progress returned back to their lives. The attacks diminished. They are leading normal lives now pressing on to the higher calling of Christ Jesus and looking forward to being Raptured!

INCOMPLETE AND OR ABANDONED MARRIAGE RITES

Case Number three basically addresses incomplete satisfaction of all customary and mandatory marriage rites requirements. Although in some cases, the dowry is not even paid at all and nothing really was done before the man and woman begins to cohabit with each other in grave sins. We will quickly look at what seems predominant in some parts of Nigeria across ethnic extractions of Nigeria where the expensive nature of marriage rites

requirements as demanded and levied by the wife's family in order to consummate a marriage, has discouraged so many intending husbands from doing the right thing. These in itself has since become a huge stumbling block of sin, leading couples in these unfinished and or abandoned marriage rites to continue living in the sins of fornication, lusts, and sexual immoralities to the detriment of their souls in hell. In the south east of Nigeria for instance, there is even a satanic and sinful encouragement given to some of the couples in the form of a proverb which when translated into English language says: "you do not finish getting married to a wife or your wife". By this kind of proverb, they only strengthen and encourage the hands of the couples involved in sin which God calls wickedness because in most cases, they usually become complacent and eventually lethargic to completing the marriage rites for their so called marriages. Once it is like this, the enemy will in all cases afflict the ignorant and unfortunate victims with poverty such that they will hardly get money to go by let alone have the money to go completely legalise their so called marriage. So, they usually end up remaining in these sins of fornication and other related sins with all its consequences until they die and end up unfortunately in hell. We will look at two quick examples I came across in the course of my field evangelism in Ogun State. I will classify them Couple A and B for the purpose of this case study on abandoned or incomplete marriage rites.

COUPLE A:

To the glory of God, as I preached this day at this couple's compound, I noticed a woman that was crying profusely. The word of God hit her real hard and she was convicted of her own sins. I had mentioned illegal marriages, some of its consequences and how God sees couples in such unions. She really cried that day. We got into prayers and advanced into praying for people's requests individually. Along the line her husband returned from work. The union was so fraught that she begged me to wait and speak to her supposed husband while she went ahead to have the landlord talk to him so he could allow me to have some few minutes of talk with him. Due to her eagerness for the truth and

correction of that error, the Holy Spirit helped out, the man did come, and we spent some few minutes together. He came right out of the bathroom with only his towel on his waist as their landlord prevailed upon him. By the time I was through with Him as the Holy Spirit led and helped me, he agreed to the Glory of God to sort out the payment of the dowry and every marriage rite. We visited them once or twice after which the Lord stopped me from going to that neighbourhood. It was months later the next year, that someone looking joyous and radiant greeted me where I went to go get some PA system for our Kwara State Crusade. I could not recognize her. All I could hear her say was we have done it; we have done it. I was wondering what she meant by that and who she was until she narrated to me how her Igbo husband's father and family came to their village in Calabar to legalize their marriage after almost 20 years together! To God be the Glory in Jesus name, they did the right thing, they are now legally married before God and they are saved from hell in that regards. This to the Glory of God, is a trophy in heaven for me like someone that won a competition. It delights God's heart and mine anytime!

COUPLE B:

I met the supposed wife in this equation during evangelism also. After I finished preaching, prayers started for individual prayer needs. I got to this woman and as I opened my mouth to pray for her, the Holy Spirit spoke to me. He told me to ask her if she is legally married by asking if her dowry has been paid. I obeyed the Lord and asked her. She openly admitted that her dowry has not been paid. That was the end of it! The only prayer I could pray for her was prayers of mercy. They have children in these sins of fornication. The last time I saw them, the supposed husband narrated different problems and attacks they were suffering. He had made up his mind due to financial difficulties that he wanted to sell his house and I advised him against it knowing fully well that if he goes ahead to sell the house, the proceeds will be wasted by the spiritual problems besetting them due to the open doors resulting from sins of fornication in their lives unless they solved that part first. As I am putting this

book together, they are yet to legalise their union, thus they are still living in sin and are in danger of hell. May God's mercy speak for them in Jesus name.

SOME BENEFITS OF INTIMATE RELATIONSHIP WITH JESUS CHRIST

From the aforementioned, it is clear that every intricate detail required in the consummation of any marriage must be carefully and diligently handled in order to avoid any omission or error whatsoever which ends up making nonsense of all the marriage expenditure and the marriage itself malevolently leading the couples involved into sins of fornication due to marriage illegalities before God without their knowing it. It is very important to observe here that all the parties involved in the three (3) marriage case studies of the pastors we treated earlier, only received mercies from God **“before they even knew at all”** that they were in error in the first place including what their mistakes were, its attendant consequences and above all, the solution as given to them by the Lord Himself. This is largely because these individuals are people that are in a personal relationship with our Lord Jesus Christ on an individual basis, especially the husbands. This intimate “personal relationship with our Lord Jesus Christ” does not mean for one to be a member of any church or denomination. You have to be in a church or particular denomination, but you must move further and higher and actually be in a “personal and intimate relationship” with Jesus Christ on a one on one basis with Him. They received reasons for their problems and solutions to them from God because of their personal relationships with Jesus. In addition, they are all fervently praying people in continuous communion with the Lord which are all mandatory requirements for any true child of God hungry for God and desiring to be hearing directly from the Lord which is only achieved by being in a personal relationship with God. If the Lord had not blessed them with those revelations for legalizing their marriages, they no doubt would have ended up in hell at the end of their lives here on earth for our God is not a respecter of any person.

Now you can only just imagine how many marriages are in one technical error or the other all over the world without the parties involved knowing it especially with focus on marriages where dowry or bride price payment is customary and mandatory for the consummation of a marriage but was done with one error or the other. These always results in the victims ending up in hell unless they receive mercy from the Lord to have these errors revealed to them for immediate corrections to be compulsorily done on time. **Child of God, ignorance is NEVER a defence with God. The case is even worse when it was not God that chose and brought the man and woman involved in such a marriage together.** This is another subject matter on its own altogether that will definitely be coming out in another book titled “**Getting Married God’s Way**” as the Lord taught and revealed to me on January 3rd 2016. Anyone that buys this book will be notified when it is ready. Our common enemy, that abysmal failure, the devil, i.e. the accuser of brethren capitalises so very much on these mistakes that intending couples make in the processes of their marriage rites consummation in order to send them to hell.

In fact, it is very important at this juncture to seek the face of the Lord and ask the Lord if your own marriage is not in error and that you have not been ignorantly living in error and fornication all these while unknowingly. Assumption can be deadly. It may even lead to the sin of presumption which God hates so very much for it is a sin that sends so many souls to hell daily.

You have the time now, to seek the Lord and ask Him now while there is still grace. It will cost you nothing really to ask God concerning your own marriage legality in your private time of prayer with God. You also must endeavour to get into a personal relationship with Jesus Christ forthwith, if you are yet to. I personally enjoy a wonderful relationship with the Lord every single day of my life! It is amazing the things the Holy Spirit will tell me and reveal to me. Things in the past, present, and future. Someone I knew for a short time in my business circles of real estate, a Muslim and sincere colleague died and the Lord knowing that his death pained me, revealed who killed him to me. I confirmed it by wisely inquiring about the killers without revealing

information to them. If I open my mouth and point out the killers, all hell will let loose in that family. He has revealed quite a number of murders to me and the murderers. I once had a fire incident in my wife's car while driving and the air conditioning system stopped working, the Lord put out the fire for me and in that very commotion, the Holy Spirit spoke to me and said **“change the compressor pulley and compressor clutch”**. I never knew by any chance that such items are in a car's air conditioning system! I had to fix the car and so I called two different technicians to get a quote on likely costs. Upon narration of the car's condition they each gave me a quote of Seventy thousand naira independently for fixing the car's AC alone without the labour costs and these guys do not know each other. In this fix, the Holy Spirit reminded me of what He had to told me to change in the car, like a reprogrammed robot, I just called someone and demanded for the price of compressor pulley and compressor clutch without even knowing what I was buying! I ended up spending just ₦8,000 yes, eight thousand naira only on the parts and ₦1,500 labour costs for the technician that fixed the car's AC. The total cost of my expenditure was less than Ten thousand naira. Is that not wonderful?! The Holy Spirit had saved me thousands and thousands of naira and the car's AC worked perfectly till the car was eventually sold.

You cannot be in sin or be living a life of sin yet expect to be in a personal relationship with Jesus Christ at the same time and be led by the Holy Spirit. That is impossible! You must separate yourself from the world and sin, turn your back completely on the world thus become separated unto God, for our God is Holy. Holiness is beautiful. It is the real beauty, not as the world defines beauty. You have to give up sin completely and start hating it every day of your life dear child of God. It is what God wants from you and He wants to be in a personal relationship with you more than you can ever wish to! Recently, the Lord told me He wants to see me every day. Those were His exact words! He teaches me grammar and I have learnt wonderful new words from Him. This carcinogenic word is the latest. I heard and learnt the word “sagacious” from Him, googled it, and discovered the meaning. He tells me His special names! He teaches me food recipes to cook! Can you imagine that? Recently

in the lockdown while I was praying, He told me to prepare Isi Ewu (African spicy goat head meat source), showed it to me in a vision and how to prepare it. I was initially reluctant because of finances due to the lockdown but the Holy Spirit kept encouraging me with how simple it is to prepare this delicacy and He even went further nudging me that I can prepare just small! To the Glory of God, I went ahead to obey, and I have both video and pictures of the fantastic and deliciously tantalizing Isi Ewu that I prepared homemade! It was so sweet I ate it for three days not wanting to finish it all at once! He taught me one day what to do in just a few 10mins or less and I was done with the stew and He said to me, “that is how to prepare sharp sharp stew”! I ended up giggling and I think I laughed or so but appreciated my wonderful friend Jesus Christ and the Holy Spirit. Remember they are one! This is also partly preparing me on survival skills for the inevitable Great Tribulation. Give it up for the Holy Spirit! Just yesterday in the evening of the 9th of May 2020, I forgot to close the glass on the vehicle roof so He told me to go back and roll down the open roof’s glass on top of the vehicle, I went back to the vehicle to do that and immediately after I stepped foot in the house it was a major storm and heavy downpour that followed! the Lord had held back the rains until I got home I suddenly discovered. Thank You Sweet Holy Spirit Divine!

At some point in the third quarter of 2019, a disguised enemy spy pretending to be a Godly person that can even see one’s panties with their tremendously useless and stupid marine witchcraft powered visions had infiltrated my camp. When I noticed some things and perceiving his source, I went to the Lord in prayer that night to inquire from Him as it is written in 1 Corinthians 2:15 that he that is spiritual judgeth all things meaning he investigates and verifies all things with the Lord. This is so that if we obey this scripture by asking the Holy Spirit, He will guide us into all truths in all things, so we avoid making any mistakes and sin. To the Glory of our Lord Jesus Christ, in less than 5mins of prayers in tongues, the Lord revealed it all and told me who he was. I asked the Lord if he was a spy and most surprisingly, the Holy Spirit answered me saying “yes sir” in answer to my question confirming that he is a spy and who sent him to me! I busted out loud with laughter at my Lord, the Holy Spirit’s

response addressing me with a “yes sir”! Can you imagine that? He also helped me evict this spy effortlessly and blessed me! Thank You Lord! He just wants to be our friend and play with us like true friends do! Now this is to show you how so very friendly the Lord is and can be with anyone that allows Him to become his or her friend. Believe me, I am enjoying it and still discovering more of Him every single day simply because He is an AWESOMELY VERY BIG MASSIVE GOD and His ways are past finding out! He is called the “Obadabada” i.e. the “Massive God” by the Idomas of Benue State, Nigeria. Take this to heart, the Lord does not joke with His own very friends, so your enemies become His enemies and that means trouble for them unless they repent and quickly too.

This Massively Mighty God almost killed Abimelech. At the same time, He had quickly shut up the wombs of all the women in all of Abimelech’s house as a generation for his infringement on Sarah, Abraham’s wife as it is written in Genesis 20:18. This same God is the same God we serve today. He has not and will NEVER change. He is waiting to become your very close and intimate friend too if only you will allow Him. For instance, I spoke with our Lord Jesus Christ when He was speaking through a sister that was prophesying having just received the baptism of the Holy Spirit sometime in September 2014. Being a student of the Holy Ghost School, I was already familiar with a few things about the Lord’s desire to be in an intimate relationship with as many that allows Him to, so I spoke up and asked that He be my friend, speak and deal with me as friends do and instantly, He responded and went ahead to give me assurances and promises in that regards which I have been holding onto since that wonderful day and already enjoying at the level it is now as it is written in 2 Peter 1:4, KJV:

"Whereby are given unto us exceeding great and precious promises: that by these ye might be partakers of the divine nature, having escaped the corruption that is in the world through lust.

You MUST be truly hungry and desirous to hear from Jesus Christ, cling onto Him, become His friend and then advance into an intimate personal relationship with God, Jesus Christ Himself! You must know however, that you cannot fake it with Him! He teaches me so many things at the same time including how to survive during the coming inevitable Great Tribulation which everyone alive all over the world at that time must face before the Rapture itself will happen. Jesus Christ our Lord made it clear in John 10:27 that He knows His sheep. He did not say all the church members, nor all the pastors or G.O.s, or prayer warriors but he said “His sheep” meaning a particular set of people, a people set aside unto Him, separated unto Him, not in the crowd nor the crowd in the church or society itself. He went on further to say that they hear His voice! Yeah because Jesus now speaks to us His saints through the Holy Spirit indwelling in us who also is God. The Holy Spirit is the same God that brought the Israelites out of Egypt and led them by pillar of fire by night and a pillar of cloud by day. He concluded that verse by saying that “they follow Him” that is, they hear His voice and they obey Him, they do not argue with Him. When He says, “do not say this or that”, they obey, “do not wear this or that”, they obey. They are submissive as a good wife with virtues will love her husband whole heartedly by submitting to her husband, and fully pleasing her husband in love. You need to get into this kind of relationship with Jesus and become blessed with the deep things, greater things, and all the wonderful blessings of God meant for His inner caucus.

Or else, how can you follow someone you do not hear His voice and how can you even successfully claim to be a child of God without hearing the voice of your Father and God that you claim to serve when you can clearly hear the voice of your biological parents? Do you not know that God speaks and can speak to anyone? It is not a privilege reserved for only pastors and so on. Even you can start enjoying this amazing relationship today! You need to move higher especially in these end times in order to finish well and end up in heaven sealed as a true child of God. The Holy Ghost School is FREE of charge and is one sure means of getting into an intimate Personal Relationship with Jesus Christ. It is what I have been enjoying! The Holy Spirit in this school, has been

teaching, leading, encouraging and ordering my footsteps since after I gave my life to Jesus Christ in January 2014! Go to pages 64-65 for more details about the Holy Ghost School if you are truly interested and hungry for more of Jesus. You need to enter into this wonderful and blissful intimate personal relationship with our Lord Jesus Christ. Many all over the world enjoy this simple and sweet relationship between God, Jesus Christ and man.

ABORTION AND THE REAL REASONS FOR THE PAINS AFTER ABORTION

Abortion is a major product of the sin of fornication. Infanticide which is the killing of one's innocent child is mainly due to abortions worldwide and the Lord is not happy about this one bit. The Holy Spirit once revealed to me an aborted baby that was dumped in a green 20 litre plastic bucket. The baby was dumped upside down in the plastic bucket which was almost filled with water. The baby's head to the abdomen was fully submerged upside down in the water with the baby's butts and legs sticking out of the bucket into the air. The baby was left to drown head down in the water in the manner described above. Now, if this is not wickedness, then I need to know the meaning of wickedness! Even so, the wicked murder of an innocent infant child. Let us see a few cases as below:

ABORTION CASE ONE: There is this case of a young man I had preached to during one my street evangelism missions. The Holy Spirit convicted him of his sin, he confessed his sins, repented, and also confessed Christ thus he got born again thank God Hallelujah! I began praying for him on the spot, went into deliverance prayers, the demon of bet9ja came out of him with terrible anger, demanded his property from him and left in annoyance. So, he was delivered from the captivity of sports betting as with all such bets. I ministered Holy Ghost Baptism on him by the help of the Holy Spirit and he began to speak in tongues and see visions right at the same spot. He is a prophet of God whom that failure, the devil wanted to waste. This same guy started to draw back gradually trying to still hang on to the world and his friends being just a

young adult. He wanted to hold on to both holiness and worldliness which is absolutely impossible! Some few months later, he requested to see me after a midweek service. He then narrated how he has been hearing the voice of a baby crying around him for some time. By the help of the holy spirit, I already knew the implication of what he was saying.

So, I asked him what happened. Thank God he went straight to the point telling me how his friend had impregnated his girlfriend and being young adults seeking University admissions, it was a “huge problem” for them to handle. They resorted to abortion! They went to go meet a phony prophetess who is now late but she actually gave the boyfriend some psalms to read for whatever reason the psalms were for I do not know. Was it to justify the abortion or what? She actually strengthened the young lad’s hand in the sin of abortion and murder. She even gave them the go ahead for the abortion with the silly condition that the young man should not try it again. I bet she may have made some silly phony prophet’s money from the desperate youths. How so satanically ironic! Since she gave the go ahead for the abortion, I am at a loss on how she would have realised her grave sin and repent from the same before she eventually died. We know where she is now if she did not repent. Let us see some two scriptures that defines what that fake prophetess did as written in the scriptures below:

Jeremiah 23:14: I have seen also in the prophets of Jerusalem an horrible thing: they commit adultery, and walk in lies: they strengthen also the hands of evildoers, that none doth return from his wickedness: they are all of them unto me as Sodom, and the inhabitants thereof as Gomorrah

Ezekiel 13:22: Because with lies ye have made the heart of the righteous sad, whom I have not made sad; and strengthened the hands of the wicked, that he should not return from his wicked way, by promising him life

In the above scriptures, it is evident that fake prophets and prophetesses will tell lies, strengthen the hands of sinners referred to by God as the wicked just

as it is evident in the scriptures above because God Himself actually refers to sinners as wicked people. She also falsely promised life to the young man that was desperate to abort his girlfriend's pregnancy. One can only imagine where such a fake prophetess has ended up just because of some dirty money!

Let us continue further. My convert who I will code name "T", went ahead to counsel the boyfriend and girlfriend sexual partners on the location where to go carry out the abortion in a place he later told me was neither a hospital nor a pharmacy using his words and that was how T, my convert got hooked and became guilty of murder from his tender age. Due to her university admission process, the girl aborted the pregnancy at Uyo, Akwa Ibom State and not even where "T" had recommended for them in Lagos, yet he was already guilty of murder before God. They succeeded in terminating the pregnancy, but God has made it clear that no sinner will go unpunished. Age is not a factor with God. As you continue reading further, you will read about the case of an unfortunate 4-year old boy burning in hell right now even as you are reading this book now. That is the stark truth. Once a little child even as young as 2 years of age or even less depending, has already acquired or attained the knowledge of good and evil, such that the child can sin knowing already the difference between good and evil, that little child no matter his or her age, has already attained the age of judgement like an adult before God and thus, will be judged like an adult. The child cannot escape hell unless helped by an adult to confess and repent of any sin and or the child grows to become born again.

Being a blunt person to the Glory of God, I made my convert "T" realise the consequences of his sin of murder due to his involvement in the abortion. I made him realise the truth that there is blood on his hands everywhere he goes. Everyone can see the blood spiritually for it is not hidden. I also made him understand that the blood of the aborted baby is crying. The cry is always the cry of vengeance from God on all parties concerned in the whole abortion process. I asked him if the other persons involved in the abortion gang were hearing the voice of any baby crying and he answered no. He was only the one hearing it. I then made him understand that it is the mercies of God and the

consistent prayers about sin and against sin that we have been praying in church that made God let him hear the cry of the baby. Our God is always loving, full of lovingkindness and always desiring to save. If he had not heard the baby's cries by the mercies and favours of God, "T" would have continued forth in his life ignorantly claiming to be a Christian, born again and all that charade and eventually end up in hell suffering even more for the ignorance of claiming to be a Christian. He will suffer punishments of impersonation there in hell in addition to other sins including the abortion, murder, all its related and associated sins as well as every other sin in his life. Sin is very dangerous!

ABORTION CASE TWO: This is actually the case of my own blood relative. Someone I know in person whom the Lord revealed to me as prayers went on in a vigil. In that vision, the Lord showed a table covered with a plain white cotton fabric tablecloth and two hands were placed on the white tablecloth. The white tablecloth and both the hands placed on it were all covered in blood in a very messy and irritating manner. It was too much of a bloody scene that was scary and irritating at the same time. By the understanding and help of the Holy Spirit, I knew instantly whom the Lord was exposing his crime and guilt of blood. I opened my eyes, turned to him, and confronted him strongly. He opened up immediately narrating some silly story of two different girls according to him from his university days that got pregnant and he had mixed some concoctions for them which they took that aborted the pregnancies! The office of a servant of God will usually expose one to hearing very strange things I can tell you because of the wickedness of human beings. God said He was going to kill him because "he has sown too much evil". This shook me greatly to the core, so I cried and cried unto the Lord for mercy. I shed tears physically. I was sorrowed for so long that God eventually had mercy on me and on him and forgave him. He would have since died but for the mercies and lovingkindness of God. He was forgiven by God Himself. Now for the purpose of interceding for sinners which God loves, God said something to me concerning his case which greatly surprised me. The Lord said "he should be grateful to you" implying that he would have been long dead because God had concluded his matter but thank God for His mercies and that He answer my

prayers on his behalf! Hallelujah!!! You also, have to stand in the gap for others and pray for them to repent and that God should have mercy on them and save them from hell. This is the demonstration of the true love God speaks about in the bible, where you leave your problems to intercede for others instead. We thank God that at least a life was saved from eternal damnation.

It is pertinent to point out that the **sore Judgement of God is coming upon ALL FORNICATORS and every single person involved in any abortion chain process which includes but not limited to:**

- All the “murderers” known as doctors or anyone that goes by any title whatsoever, who aborts pregnancies in any capacity whatsoever
- All the nurses aiding any doctor or any person in any capacity whatsoever in the abortion murder process of any pregnancy
- All the men and ladies of any age bracket whatsoever that had sex resulting in any pregnancy that was aborted, or an abortion being planned regardless of whether they are legally married or not
- All the parents and or acquaintances of any parent who by any means contributed in any way whatsoever even as little as just driving them there, directing or sending them to any particular hospital or doctor, facilitating their movement or choice of the abortion method, the abortion center location of choice or the mere suggesting of an abortion or the hospital for the abortion and so on and so forth to any or both the male and female party that had sex resulting in the pregnancy of any aborted baby or anyone whosoever that pays for any abortion
- Any friend or acquaintance in any way whatsoever of the male and female party that had sex resulting in the pregnancy of any aborted baby and who by any means whatsoever, contributed in any way whatsoever even as little as just driving them there, directing, suggesting, advising or sending them to any particular hospital or doctor, facilitating their movement or choice for the abortion, the method to use, the location for the abortion or the even merely suggesting an abortion or the hospital for the abortion and so on and so

forth to any and or to both the sexual partners that aborted any pregnancy at any time or anyone whosoever sponsors any abortion

- Anybody whosoever that involves himself or herself in anyway whatsoever and or howsoever with anything that has to do with abortion of any pregnancy in any instance or circumstance whatsoever at any time whatsoever is complicitly guilty of murder before God. Any involvement with abortion in any capacity whatsoever will make anyone guilty by all means even being guilty by association. If you had even just merely suggested abortion before to anyone at any time, ask God for mercy and forgiveness now seriously before it is too late.

THE REAL CAUSE OF POST ABORTION ABDOMINAL PAINS

In the morning of Friday the 17th of April 2020, the Sweet Holy Spirit Divine, my Senior Partner revealed to me that after any lady aborts a pregnancy at any time, she will usually have post abortion abdominal pains. Any lady that has aborted any pregnancy before will attest to this fact. These abdominal pains occur after the pregnancy has been aborted and these abdominal pains will usually last anywhere between one to two weeks. The doctors may say it is the uterus healing or any other reason they so desire to give but God's reason is the truth and final say. Personally, I never knew there was such development of pains in the females after abortion until the Holy Spirit revealed it to me. Interestingly, below is the revelation from the Lord about these pains:

The Holy Spirit says those post abortion abdominal pains that any lady experiences after carrying out an abortion are actually “Real Life Tortures from hell” even while she is still physically alive! What a mystery this is! The lady is still physically alive. She is not yet dead, but while yet alive, her soul is already tied in one of the dark pits of hell where it is receiving live tortures from the demons in hell assigned to her which manifests physically as the abdominal pains after an abortion. These tortures on her by the demons in hell are all due to her sins of abortion, murder, infanticide and shedding innocent blood to name but a few which as is written in Proverbs 6:16-19, are

all “sins of abomination”. Those abdominal pains are samples, miniature shadows of the incredibly gruesome tortures awaiting such a person in hell if she is not truly and quickly repented. This is a wonderful mystery hidden over the ages, but the Lord in His mercies revealed it to me and thus to all of us by His Holy Spirit. It is very important to point out that both the guy, lady and anyone whosoever involved in any abortion process are all murderers. Is it possible that someone can receive live tortures from hell while yet alive? YES, saith the Lord God, Jesus Christ and some of the reasons are as highlighted below:

- Every sinner is automatically separated from God unless he or she quickly repents genuinely. Please accept God’s mercies and lovingkindness now. There is still opportunity for you to be forgiven no matter what the gravity or nature of your sins are.
- ALL sinners while still alive have at least one demon in hell assigned to them who monitors them for their death and ending in hell
- Upon the death of that sinner, the assigned demon(s) begin the merciless and terrible unending works of torturing the sinner
- Every sinner’s soul is already in chains in the pits of hell even while yet physically alive. Everyone involved in the abortion process including but not limited to the doctors, nurses, the sexual partners involved i.e. the boy and girl, the man and woman, anyone whosoever that suggests and or advices another for abortion, anyone whosoever that pays for any abortion, anyone whosoever that knows anything about any abortion in any way and or fails to speak and work against it and so on and so forth, are all guilty of murder and its complicities.
- With the sinner’s soul already in chains in the darkness of the pits of hell, the enemy and demons of hell can do as they wish to that sinner because they are sinners and in the case of abortion, they have the baby’s blood on their hands in addition to their other sins. Thus, the demons in hell assigned to that particular sinner begins to torture her soul right away in this case the female that aborted a baby. Jesus says it is these live tortures from hell that manifests and is experienced

physically as abdominal pains by all females after an abortion. The implication of this fact is that the sinner who aborted a pregnancy, is not far from hell. The doctors and nurses will definitely not want you to see them as incompetent. So, they will surely give the abdominal pains resulting from an abortion any name or reason they like in order to comfort you. To God be the Glory, you have discovered the real reason for it. Now you know the truth by revelation what our Lord Jesus Christ says the real reason for the post abortion abdominal pains are. **Jesus Christ says, “They are live tortures from hell”.**

As of January 1st 2020, to 5:52 PM July 4th 2020 alone, a total of 21.6 million babies have been aborted worldwide according to the WHO. Go to Page 66 of this book and click on the links there to see the current Worldwide Abortion Statistics by W.H.O. Also on Page 66, we urge you to click the weblinks for our Rapture Preparations and Awareness Groups to join, learn more and prepare for the Rapture. Answer the questions to get automatically added.

Our Lord Jesus told me further, the facts below during prayers early in the wee hours of the morning on Monday 11th May 2020 and instructed that I include it in this book. The Lord Jesus says such a lady, girl, lady, woman, or female experiencing or has experienced post abortion abdominal pains, already has her name, all her records including all her yet unforgiven sins in the satanic record books of hell. Any lady, any girl, any woman and or any female whosoever, that has experienced, is currently experiencing or will experience abdominal pains in the future, after any abortion which are actually live tortures from hell due to her sin of abortion even while she is yet physically alive, will be kept under close monitoring by that abysmal failure the devil and his demons, until she dies so that they can quickly bring her spirit to hell. The same approach is used for all unrepented sinners. The enemy has his evil plans, but God has SUPER BETTER Plans for you Glory Hallelujah!!! God’s plans for you are not evil but for peace, good plans and to bring you to an expected end because of His unfailing and undying love for you! Thank God there is REAL Good News for you after all!

Jesus Christ is that good news! The good news is that Jesus Christ in His Lovingkindness has died for you and done the major work. He has provided a way out for you which is that you should quickly repent now of your sins of abortion as well as all your sins no matter how many. Confess them all now then afterwards, ask Jesus Christ for mercies and forgiveness. He will **GREATLY FORGIVE YOU** simply because He loves you more than words can ever describe, and He does not by any means want you to end up in the unending torments of hell, but you must do one thing. **You MUST NOT Abort any pregnancy again.** It is the wicked murder of an innocent child and wasting the child's life which is the child's blood. Many died while many are still dying and ending up in hell during an abortion while some others died as a result of post abortion related complications. Jesus Christ is pleading with you not to back to that sin of abortion or any other sin again please.

Kindly note that if anyone does not ask for forgiveness, Jesus will not forgive them simply because they did not ask. When anyone fails to ask for mercy and forgiveness, what they have simply done without knowing it, is that they have rejected the love, mercies and forgiveness of God which means rejecting God Himself. These alone, has landed so very many in hell who are burning there right now as you read this book. God forbid, this is not by any means to encourage sin in the life of anyone but only for to express the lovingkindness of God and His infinite mercies to all of us, not wanting anyone to perish. If by any chance you fall into sin, just go ahead, do same thing, repent, confess and ask for mercies and forgiveness. He will abundantly pardon you, but for how long will you continue these cycles of sins expecting the grace, love, mercies, and lovingkindness of God to remain for you? What if you die suddenly in your sins? Do you know you will pay dearly for repeating these processes of wasting the love, mercies, forgiveness, and lovingkindness of God? Trust me, those who did so are regretting terribly in hell right now.

For how long will sin continue to have dominion over you? You must know this. His love, mercies, grace, forgiveness, and Lovingkindness and so on and the availability of them all **IS NOT to be taken for granted. IT IS NOT A**

LICENSE TO SIN OR CONTINUE IN SIN. You will be doing yourself terrible disaster, terrible harm, and destructions by repeating your sins over and over again. You may need deliverance so better cry out to God to deliver you or send you to a genuine servant of God to deliver you. If the captivity, bondage and yoke of fornication, lusts and sexual immoralities are not destroyed in your life, know that there is no progress in backward movement meaning you are going nowhere but hell at the end. Jesus is ready to deliver you even now if you are ready. You must genuinely make up your mind to be delivered. If you are not ready, God is not ready, but He is always ready.

If you say, “body no be firewood”, as many usually say in vernacular, let it be known to you that many bodies are burning far worse than firewood in the fires of hell right now. Can you put your hand into fire and leave it there steadily for even a minute or two? Of course no, you cannot dare it. Now imagine your whole body, your whole entire being thrown inside volcanic liquid fire. Instead of the air around you, it is all round terrible wildfires at great degrees of heat.

SOME FERTILE GROUNDS FOR FORNICATION

From the afore mentioned, you are actually being warned by the Lord to completely quit fornication, abortions and anything that is related to them and thus be saved from the fires of hell. Going further, we shall be looking at some fertile grounds for fornication i.e. where fornication can easily occur, thrive and or reoccur if not stopped and destroyed. SIN AND DEMONS IN HUMANS

Every new and single sin without any exception anyone commits, will introduce and bring in new set or sets of demons into the life of that sinner depending, as the case may be. Thus, a born again Christian can be possessed by demons if he or she falls either into sin or commits sin deliberately. So, even after confession of sins, it is required to say I repent of these sins and also to pray in this manner that “I pray thee O Lord to please deliver me from every consequences and debts of my sins in Jesus name”. It is also required to bind and cast out any demon that may have entered into your life through any sin. From the foregoing, you will agree with me that sin is indeed terribly expensive and gravely dangerous. We all need to understand the exceeding sinfulness of sin itself and flee permanently from sin.

We were conducting deliverance on a lady in Delta state and different demons manifested. One was the spirit husband of her late mother who had also married the lady spiritually without her knowing it, but it was casted out to the Glory of God. Another demon that manifested was one that said it entered her because she nodded her head to worldly music! Thank God it was also casted out by the power in the name of Jesus to the Glory of God. Another demon manifested and like the others, speaking through her, said it entered into her life that afternoon because she got angry! They were all casted out to the Glory of God. Sin is a terrible killer and is terribly dangerous and expensive. Every sin no matter how seemingly little, has at least one demon or more attached to it as the custodian of that sin. Due to sins, even just one sin, these demons will legally enter into the life of every sinner in order to bring them into fresh captivity, debts and troubles both spiritually and physically. Meanwhile, all these and more, are all what Jesus Christ has since delivered every sinner from on the Cross of Calvary but going back to sin means going back into Egypt, slavery, bondage, sufferings, shame, disgrace and so on and so forth. Pray the prayers below:

- O Lord by Your mercies, please plant in me, your hatred for sin and how You see sin so that I will always see and hate sin exactly as you do in Jesus name, I pray
- O Lord my dear God, let sin grieve my heart as it grieves your heart in Jesus name, I pray
- O Lord my dear Father, please reveal to me my spiritual condition so that I will not be deceiving myself nor get deceived
- O Lord my dear God, by Your mercies, please reveal to me if my name is still written in the book of life or not
- O Lord my dear God, please have mercy on me and help me O Lord to rid my heart of sins in Jesus name, I pray
- O Lord my dear God, please take me to the Cross where you died that I may also die to sin in Jesus name I pray

These are amongst the best prayers any Christian anywhere in the world can pray. Run away from sin child of God. Almost all the people you knew who died that praises about them were sung on how nice, good, and so on they were while alive are actually in hell. You might be surprised but most unfortunately, they are in hell now even as you read this book because of one sin or the other that got their names removed from the book of life. Our God is merciful, He is loving, He is caring, nice and wants everyone saved but He is also a consuming fire He said of Himself. He will never change. His standards remain the same no matter what. He will NEVER lower His standard because of anybody whosoever. A sinner is a disobedient person who not only disobeys God but is actually rebellious against God meaning a sinner is one who challenges God's authority! Read from Genesis to Revelation, no one challenges God and ends well due to one sin or the other unless they quickly acknowledge their sins, express love to God by availing themselves of the lovingkindness of God and His mercies for to genuinely confess their sins, repent and forsake the same. God accepts such ones back with deep warm love.

A sinner is someone who hates God. To God, the sinner exercises his or her will power given to him or her by God in choosing not to obey God's commands. This is amongst many reasons why God will not spare any sinner that fails to repent genuinely and quit his or her sins before he or she dies simply because such persons remain demon possessed due to their sins. In addition, God has since made it clear that nothing unclean will by any means enter into His Kingdom just as Jesus Christ boldly and clearly declared it so in the book of Revelation 21 in verses 8 and 27. This is also because God will not by means whatsoever, allow the entry of any demon in any sinner into His Kingdom. Consequently, the sinner becomes automatically disqualified from entering into or inheriting the kingdom of God. This is why child of God, so very many surprisingly end up in the wild tormenting flames of hell after their sojourn here on earth. **In fact, our Lord Jesus revealed that for every, one single soul that trickles into heaven, a thousand (1000) souls have gone to hell. This is ratio 1:1000 i.e. ratio one to one thousand! If only one soul enters heaven now after they die in a single day, a thousand souls have**

trooped into hell that same day, proportionately to only that one (1) single soul that barely made it into heaven. The Lord revealed these to Rev. Park many years back. Similarly, a pastor friend of mine got the same revelation from the Lord. He was taken to hell and he saw the multitudes jam packed together in thick darkness with all of them going in one direction like programmed robots without looking back. He did not even know they were human beings he was seeing until he asked the angel that took him on that revelational journey into hell. The angel answered him that the hordes he was seeing are actually humans who just died on earth. The angel went further to reveal to my pastor friend that every single day, a minimum of one million souls from all over the world end up in hell. This event happened way back 2009! You will agree with me that the numbers obviously would have since increased tremendously by now that we in the year 2020 which is eleven (11) years after. Is this not amazingly sad? These hurts our dear Lord Jesus Christ so very much and all of the time seeing souls He suffered terribly and died for, trooping into hell like it is a party no one must miss. How so very unfortunately sad! All these makes Jesus Christ to hurt, sorrow and cry. Just think of the cries of Jesus and please repent completely and fully for there is no more time.

Every sinner must come back to the cross and die to sin there. Our Lord Jesus Christ took Pastor Mike Sambo to hell to reveal mysteries to him with a view to saving souls from ending up in hell. Amongst the souls he saw in hell was that of a four (4) year old boy. That boy fought his way through the crowd of souls in the raging fires of hell, intending to come meet Jesus Christ to deliver him out of the fires but as he drew nearer to Jesus Christ, our Lord Jesus turned His back on this four year old boy in hell and the fires of hell swallowed him back. Pastor Mike Sambo asked the Lord to do something about the little boy, but our Lord Jesus answered him saying:

you are man, you change, but **“I am God, I do not change. Tell man that I love him, but my standards are very high”** i.e. standards to make heaven.

CONSEQUENCES OF REST IN PEACE FOR ANYONE IN HELL

Another one was a lady that had been born again, travelled to her village, met with her old boyfriend and before you know it, they had sex. They had fornicated and she broke down in regrets. She further made the ignorant mistake of procrastination that arriving back at her house in Lagos, she will confess her sin and repent very well. Unfortunately for her, the bus she was travelling in had an accident, caught fire, and burnt down killing this sister and everyone in the said bus. Pastor Sambo said he was extremely shocked to see this sister in hell. He could not even recognize her let alone expect that she will be in such a place. She was terribly burnt beyond recognition and whilst still in terribly excruciating pains, torments, and tortures with gnashing of teeth. Pastor Sambo narrated how so many holy and righteous things were said at the funeral of this late sister such that he was shocked to see her in hell. Everyone thought she is in heaven and “resting in peace as many ignorantly wish”. If only wishes are horses! Our Lord Jesus Christ specifically made him see that lady in hell. She called out Pastor Mike Sambo’s name to get his attention after which she narrated her sin of fornication and how she died as chronicled above. Ignorance is indeed a terrible disaster any day, any time.

The families of these late people in ignorant attempts to comfort themselves will go ahead in deceiving themselves and others that care to be deceived also with statements like; Oh, he has gone to be with the Lord. She has gone to be with the Lord! They are resting in the bosom of the Lord and they are in heaven when in reality the unfortunate late relatives are in terrible torments in hell just immediately a few moments after they died. Their judgement is always very quick ending with the word “depart” and that marks the beginning of the end as well as eternal tortures in damnation starting in hell fire for such persons.

Someone whose name was never written in the book of life or someone whose name was removed from the book of life at some point in time due to one sin or the other while the person was alive but later died in sin, even just one single sin without rectifying it and settling that debt early enough with our Lord Jesus

Christ always end up in hell. Unfortunately, you will then see ignorance arise, starting off its charade of deadly comforting lies such as God is so merciful and will have mercy on him or her because he was a good man and she was a nice caring woman and so on and so forth that fed everyone on the street and will never like to see anyone suffer nor go hungry! Then you hear more praises and eloquent speeches about the persons who are already burning and roasting in hell. How sad! They will usually end it with the ignorant statements of “may his soul or her soul rest in peace” when God clearly says that the soul that sins will die? Years later this ignorance continues and metamorphoses into further acts of foolishness. The statements change to “may he continue to rest in peace” and “may she continue to rest in peace in the Lord” with foods and drinks rolling by in their heretic lies. Oh, how so terribly sad and unfortunate!

The case of the man from the north for instance that his wife, Maryam Sanda stabbed to death came up on Facebook some years back while the matter was fresh, and all these ignorant comments of Rest in Peace was flying here and there on my friend’s Facebook wall. In utter disgust knowing the truth about these matters, I asked him a simple question on Facebook. My question was this, if this late man were to be truly resting in peace, what then is the need to further wishing him more rest in peace? My friend responded only to say that my question is beyond him!

These fallacious, erroneous and seemingly ignorant statements and acts of rest in peace suggests to me, the remote possibility that people actually know the truth that this person or that person who is late may not truly be in heaven as they would like him or her to be. So, then it appears to me that there is then the need for superfluous self-gratification and comforting which leads to those weak and obviously insincere statements of rest in peace and the likes of them especially without any divine confirmation or revelation from God that such a person or persons are truly with Him in Heaven and are indeed resting. Listen up everyone, it is time we all stop this ignorance whether they are deliberate, conditional, or yet accidental. The truth is, there is no rest whatsoever in hell.

Know it now that anyone in hell that you wish Rest in Peace here on earth, is in more trouble. You are only increasing their tortures in hell. The more you wish them Rest in Peace, the more their tortures and punishments increase and the more the demons in hell torture them. Without gainsaying, it is particularly a very foolish and stupid act to say rest in peace to anyone whosoever that is already screaming and shouting terrible cries of excruciating pains and lamentations in the tortures of hell fire for eternity who eventually will be thrown into the lake of fire being the second death as written in Revelation 20:14-15. The Lord God Himself exposed man and said that the heart of man is terribly wicked who can know it? The heart of man is terribly deceptive and can be so full of guile. Man, usually wants to deceive himself and others, convince and please himself and others with foolish statements of rest in peace. So, I ask again, if the person were to be truly resting in peace in heaven, what is the need to wish the person to rest in even more peace or to have more rest when he or she supposedly, is having more than enough? As far as it goes, it is a senseless wish. There is no sense in it at all because Jesus says it very clearly that anyone whosoever that his or her name is not found written in the book of life as at the point of their death or Rapture, is not going to enter nor inherit His Kingdom by any means. That automatically means the person even right now is unfortunately burning in the terrible, unbearable, and unquenchable fires of hell as you are reading this book. Forget about the titles like G.O., High Bishop, Chief Apostle, J.P., Chief Evangelist, Rev. Dr. Pastor, Prof, Apostle, Prophet and so on. God does not respect any man talk less of those bogus empty titles that brings pride upon them unknowingly.

WHAT IS THE SOLUTION TO FORNICATION?

While typing these out, the Holy Spirit further led me to 1 Corinthians 6:18 and 1 Corinthians 6:15-17.

- We have and serve the God who is abundantly merciful, slow to anger, loving, full of compassion and lovingkindness, not wishing that any should perish. The Israelites sinned over and over again but He forgave them repeatedly in His lovingkindness. So, He will forgive you too but do not take His lovingkindness as a license to sin.
- Remember always that your body is the Temple of God like your beautiful revered church building so you must keep it holy at all times
- You must come to the cross of Jesus Christ and there, die to sin, kill all sins in your life including the sin of fornication
- Any sin you fail to kill now will surely kill you in hell so, you **MUST URGENTLY** kill every sin first so that it does not overpower you and kill you. This is not a curse. It is the simple plain truth. Romans 8:13
- Sin must not rule over you nor dominate you. See Romans 6:14
- You must destroy every works of the flesh in your life through submission to Jesus, holy and righteous living see Galatians 5:19-21
- You must decide and choose to start living a holy and righteous life pleasing to your God. This is inevitable if you want to end up in heaven
- You must have an active prayer life and studying of the bible
- You must receive Baptism of the Holy Ghost and water baptism
- You must enter into an intimate personal relationship with Jesus Christ. Jesus Christ must become your life and central focus. For inquiries on how to get into a personal relationship with Jesus Christ, contact the author through the means of contact provided on Page 65 in this book.
- You must be in a good church where the undiluted word of God is taught and where you will be prepared for heaven as a bride of Jesus Christ while warning you about the dangers of hell. You can ask Jesus Christ or the Holy Spirit to guide you in this area.

HOW TO STOP FORNICATION

- Accept that you are sinner, acknowledge and accept all your sins
- Confess all your sins to Jesus Christ now, He will greatly forgive
- Repent and Forsake your sins genuinely
- You need to rededicate your life back to Jesus
- If you have not been born again before, you must become born again to receive complete forgiveness of your sins
- There are prayers you will say as you continue reading
- You must Flee from fornication completely
- There is need for deliverance and casting out demons of fornication, lusts and sexual immoralities but remember always that Jesus Christ has since redeemed you from the curse of the law and His blood speaks for you.
- Run away and separate yourself from everything that leads to fornication
- Start by genuinely confessing your sins now. When you are done confessing all your sins, please you have to say the prayers below:

Lord Jesus, I confess that I am a sinner and that I have sinned against you in many ways. I am very sorry for my sins. As I have confessed my sins, please forgive me of all my sins and I repent of them all in Jesus name. I believe that you are the Son of God and you died for me on the Cross at Calvary and rose again the third day. Lord Jesus, I confess you as my God, personal Lord and Saviour. I hereby invite you into my heart and into my life. Please come and dwell in me and begin to direct every affairs of my life from now on. By Your mercies sweet Jesus, please remove my name from the books of hell, death, destruction and from every evil books. By Your mercies my Lord, please write my name in your book, the Lamb's book of life that I may inherit eternal life in the Kingdom of God in Jesus name I pray.

I congratulate you if you have said those prayers. You must run away from sin completely from now. If you are very serious, the Lord will connect you with His genuine children to help you grow in holiness and righteousness unto God.

Our Lord Jesus Christ through the Holy Spirit has given everyone the solution which is written in 1 Corinthians 6:18 as below:

Flee fornication. Every sin that a man doeth is without the body; but he that committeth fornication sinneth against his own body (which is the temple of God like a normal church Building).

The major solution is to flee! Run away from fornication as well as all sins like in a life and death situation. Do not even go anywhere near fornication. **RUN AWAY from sin is what our Lord Jesus Christ commands.** Avoid fornication by running away like Joseph did. Flee means do not even think of it let alone practice it. Can anyone play with fire or cancer? Run away from every opportunity and invitation fornication gives to you. It is the death poison of your enemy, the devil disguised as enjoyment. Why is it so important to run? It is because fornication is a sin against your own body. An intentional sin against your own body which is the temple of God. So, fornication is a sin against the temple of God which is a holy temple. A sin against God. Himself. This is one of the reasons why God promised that He Himself is the one that will destroy anyone that defiles His temple and this temple God is talking about, is your physical body. **So, fornication is EXTREMELY VERY DANGEROUS.**

Fornication is rampant today because that frustrated abysmal failure, the devil our common enemy hates God and because he hates God, he hates us the same because we are God's image. When the devil sees you, he sees God's image (this is your spirit he sees not your physical looks) so he hates you the same. To insult God and put man in trouble with God, he makes man to do fornication which God calls abomination, just so that God will get angry with man and destroy him or her in hell. **SO PLEASE FLEE FROM FORNICATION**

forever and do not risk your eternal home for 5mins satanic poison and suffering popularly called enjoyment here on earth. As the Lord instructed me, pray these prayer points below, pray all the prayers below every morning (and at nights if you wish):

- O Lord by Your mercies, please help me to see sin as You see it and to hate sin as You hate it every day of my life in Jesus name, I pray
- O Lord please purge and purify my life with your Holy Ghost fires in Jesus name I pray
- O Lord my God, please help me destroy every foundation of fornication, lusts, and sexual immoralities in my life in Jesus name I pray

In addition to this order, we are adding a set of prayer points together with this eBook as a gift for you to pray for your own good.
